

General Status of Implementation of The Batteries (Management & Handling) Rules, 2001 in Madhya Pradesh

The Ministry of Environment & Forest, Government of India has notified the Batteries (Management & Handling) Rules, 2001 under the section 6, 8 and 25 of the Environment (Protection) Act, 1986 (29 of 1986). The provisions of these rules shall apply to every battery manufacturer, importer, re-conditioner, assembler, dealer, recycler, auctioneer, consumer and bulk consumer involved in manufacture, processing, sale, purchase and use of batteries or component thereof. The State pollution Control Board is the prescribed authority for ensuring compliance of the provisions of these rules.

The usages of lead acid batteries are increasing very rapidly. The unsafe recycling of the lead is posing serious threat to human health. Lead acid batteries requires proper storage, transportation, handling, recycling procedure, awareness and manufacturing to avoid impact on human health and other adverse environmental effects.
